### Upcoming Events

**Family Fun Night** - Next week we are combining dancing and games and parents and kids into a giant night of fun! Please RSVP for our Family Fun Night by emailing [tiger@transfigurationmn.org](mailto:tiger@transfigurationmn.org) to let us know you are coming to this free event! The fun lasts from 5:30-7:30pm. Families are invited to dress up for dancing, or comfy for bean bags - either way, we'd love to see you there!

**Out of Uniform** - Students may come out of uniform on May 10th for the low price of \$1. These funds will help us to defray the costs of upcoming events. Students need to follow out of uniform policies in the handbook.

**Volunteer Appreciation Mass** - We are so grateful for the many volunteers that have helped us and our students this year! Staff began making a list of volunteers on Monday and it kept growing and growing... We will be praying for these many contributors on Tuesday, May 14th at our all school Mass. Please join us if you are able!

**Grandparents Day** - May 23rd will be a special day - our students won't be the only ones in class! Grandparents/Special Friends are invited to tour our school, see their students' classrooms, and do some fun activities. Then, that evening they can come for a special music extravaganza involving our whole school, plus a gallery of special student artwork. Please watch for more information in the days ahead.

### **Mrs. B.'s Bulletin**

When assessing the success of our school, we return to our three pillars: Christian discipleship, academic excellence, and great love. All three of these begin in the family. Children learn the importance of following Jesus by watching how their parents follow Him. Children know that working hard in school is essential to fulfilling God's plan for them because of the priority parents place on schoolwork. Students know what great love looks like because they first felt that love at home. Families are a reflection of the Holy Trinity itself, and should be loved, supported and encouraged by schools.

With our Family Fun Night, we (of course) want it to be a fun night of community, but we also want to provide chances to strengthen family bonds through shared experiences. Time to laugh, play, imagine, be fancy, or compete together can be hard to come by, but here is a great opportunity. If you are available next Wednesday, we hope you join us!
